We've done some major background work, especially a lot of our... Design Focus Groups and Online Feedback Want to help shape the future of Nexus mods? As we develop new features and modernize the current web layout, we are starting to implement a new design framework. You'll hear from the Modding community as we test new designs and features.True, while waiting impatiently, the appearance and the feeling of our site that will not necessarily affect the priceless comments that will collect some of the discussions to participate in some of the discussions ... Maintenance Date: 9 January 2023. 9/2023 will pass in a planned maintenance, this means that our forums can not be used for a while for a while coming. Please note that this will also affect the functionality of mod managers - downloads, updates, approvals and so on. (anything that requires interaction with our website and API). While passing our database into an advanced system, we aim to take the process a few hours, but we expect the site to be insufficient for some users to be sure ... We are hired: .NET developer would accelerate like us. Our office application development capabilities, we want to expand our team by hiring a motivated and enthusiastic developer to help us create the next recurrence of our mode management application. As a member of the MOD Manager Development team, it will be your responsibility to help design and improve tools and offers that improve our user experience. We are not just trying to redefine the FC success ... Project Agenda: Skyrim: EXTENDED CUT. Cut - Saints & Seeducers is overhauled and expanded by the official production of Saints and Seducers, and aims to revise the Extended Cut project, which will be the same as the main scenario of Skyrim, an 11 -year-old game. . Today! zNeyrmetkno Why not be before entering the fashion ... What kind of innovations are there in the collections? When we first opened the collections to everyone's use, we knew that we still have many points that we want to improve. Since then we have been listening to your comments and we have been working intensively on new features and improvements. This is some of the online changes this week. Error Reporting Functionality We have rebuilt a new BILF reporting feature that allows members of the Nexus modles to attract attention to the collections in a cautious way. To leave an insect ... Halgari joins Nexus modes to help shape Vortex's future. We are excited to announce that Halgari, a vehicle developer known for his MOD Wabbajack squad, will have the latest version from next week. In addition to our teamOn Nexus models, As vortex product manager, he will focus on creating mythical 2.0, which is still at the planning stage, but our MOD manager will be even better. Before was announced for the first time to the public in 2018. February. Like Alpha Build - Rep ... RTX Remix - Questions and answers with Nvidia. If you have not yet heard, the new NVIDIA - RTX Remix - modification tool was announced in September. It is a fantastic program that can change the modification of older games. We were joined by the product team supervisor, Nyle Usmani, to give you the possibility of answering sophisticated questions from RTX Remix directly from the source. VG52-HZHRFC If you have not already done so, here is a clip of ... Beginning of work: the functions of the community manager in the Nexus Mods company want to continue to support their ranks by hiring an experienced community leader who works with an existing existing team. To help us better serve our community. This position is in our offices in an exeter, in the United Kingdom and you will have to obtain a work permit in the United Kingdom before applying. As director of the community, you are responsible for communication with the Nexus Mods community and understanding the needs and wishes of a variety of services ... Skirim has been published by Gog, you have not read the name incorrectly. No, you only knew a dragon fracture in 2011. Certainly, today Skirim was published on another platform. You can now take a copy of Skirim Special Edition without DRM on Gog.com! A few weeks ago, we contacted our friends from Gog, who spoke of a very special new edition that will be fun for our community. Skirim was about to add GOG by filling the email installed on its site. Can we say that Spirum ... What is the new Vortex 1.6? Vortex 1.6 was published a few days ago and was with the latest package of new features, improvements for the user interface and many errors. Here is the latest version of the news summary. The improvements in the dashboard in the previous version of the whirlwind were too easy to play with the dashboard by clicking and carrying in the wrong place or by rejecting the instrument. We corrected this by adding the "personalization of my highlighted dashboard" ... Tagging modifications, and on our site (and you) recently occurred a stupid drama caused by something after downloading me with me remastered modification. AHe replaced quite a lot of game flags PRIDE by the motive of the American flag, already predominant in the game. The mod was removed from Nexus mods, and the author was banned. To fix the ban that many people want to indicate, the mod was loaded from the SOCKPUPPET account (i.e. the recently created account, which already has several ... win the GOG key for The Witcher 3 Year Edition) is distributing 10 GOG. The keys for The Witcher 3. To win alone, just leave a comment about the letter fashion you like (for any game). July. 3:00 in the evening. (GMT+1), and soon I will choose the winners. I am sure you will agree that creating mods for the game can be a very exciting activity! It is important to remember that if the developers do not put their heart and soul into their mods and do not share them with all of us, it will be ... Project Spotlight: Fallout London Fallout: London - a very ambitious project to create the city of London (of course, post-apocalypse) in Fallout 4. They demonstrated their development from the moment of their announcement and recently released the Ege gameplay trailer, and we are glad to talk with the manager of the Fallout project today: London about their development and what to expect from this mod the size of the game. 'a game. MQCB51QR6Si "prilladog, thanks for talking with us on this t ... 20th anniversary of Morrowind-Modathon, awards, memories! Today, Mordovonda is 20 years old! To celebrate this anniversary, our good friend Darkkellgyg conducts a special release of his annual May Modaton Morrowind, and we will also play a few cool prizes in our quiz Morrowind! Did you know that our site was created as the fan site The Elder Scrolls III: Morrowind? It was true, and this was back in 2001, when the site was launched as Morrowind Chronicles. That is, before the game is released exactly 20 years ago ... Skyrim Se and Fallout 4 Creation Kit are now available in Steam, as some of you already know that they already know that Bethesda .NET launch program will be closed next month, and players will be able to move their games and other content in Steam. The developer's set, the official SDK for creating mods for Skyrim and Fallout 4, was available only with this launcher, which, obviously, will become a problem for new modders when the service will turn off. Fortunately, Bethesda has already released Fallout 4 and Skyrim SP ... reminder:If MOD authors didn't share their creations, we wouldn't have a modding community. As you know, many mods spend many hours on mods to protect user documents and manage mods. Since we've added different ways to say "thank you" when donating to a user's favorite author over the years - our Mod reward system, the donor options we offer (donate button on the mod page) or by authorizing the mod auto ... Bethesda Game Studios is gearing up for Starfield. The first game in the series is coming to PC and Xbox in November, and we're already gearing up with excitement, even though it might seem too far away. Go out. May 12, 2022 Update: Bethesda announced on Twitter that Starfield has been delayed until the first half of 2023. If you haven't heard, Starfield will be the first entry in a new series and will celebrate its first solo RPG ... My Recruitment: Office Manager app for this positions are closed. With 20 full time staff working out of the Nexus Mods Exeter office, we are looking for someone who sees us and our place as work we love, who can help manage our office area on a daily basis. We will refer to this role as "Office Manager", but this will include a number of different tasks that can be integrated into any description of the shipment, including "facility manager", ... donations to Ukraine - Update update and collect donation campaign Two weeks ago. Supporting the Red Cross in its mission to provide medical aid to the Ukrainian people who are suffering the consequences of an attack not caused by their own countries. We are pleased to say that the community is strong in support of Ukraine, with direct donations of £6,500 (~\$8,474), up to \$100 and even \$1,000 in individual donations - which is great! Thank you very much for your donations. Gifts.
