odnaingaiv... relief on taxes levied by Maharashtra Maritime Board... relief on taxes levied by Maharashtra Maritime Board on passengers as well as pets, vehicles, goods etc. On payment of lump sum amount of 20%, waiver will be granted to the remaining 80 per cent of the arrears. In order to take such cases to this logical conclusion in time bound manner, Proper Officers have been advised to immediately take steps to finalise the investigation/proceedings in all these cases. With the appeal procedure becoming online, it has become mandatory for the proper officer to pass the various orders online on the GSTN Back office (BO). I am hopeful that all the Honourable Members of this August House will support to my proposals. This Scheme is applicable regarding concessions on various taxes levied by Sales Tax Department before introduction of GST Act and duration of this Amnesty Scheme will be from April 1, 2022 to September 30, 2022. Due to this concession under Amnesty Scheme 2022, there will be shortfall of rupees 1500 Crores out of outstanding penalty dues. As a result, the State may incur a revenue reduction of about rupees 21 Crore. Stamp Duty exemption on Gift deeds without consideration to corporations and institutions If any donor is transferring land without consideration to the corporations, local self-governing bodies under jurisdiction of State of Maharashtra free of cost, then current Stamp Duty of 3 percent on gift deed or 5 percent on sale deed is being fully exempted under Section 9 of the Maharashtra Stamp Act. Keeping state of economy and compensation to States in mind, a hike in GST rates and pruning of exemptions looks inevitable. For example, on entering the PIN code, the corresponding State and Districts will get auto-filled.
